

APPROPRIATE PRESCRIBING OF OPIATES

Continuing education online course for
Arkansas health care providers.

FREE CE COURSE!

Continuing education online course for Arkansas health care providers.

This online course will give providers information about new regulations regarding narcotic prescribing, including:

- Using the Prescription Drug Monitoring Program when prescribing controlled substances
- Assessing and treating chronic pain
- Non-malignant pain management
- New Arkansas State Medical Board guidelines for prescribing opioids

Newly licensed prescribers can obtain two of the three required continuing education hours on Appropriate Prescribing within the first two years of obtaining an Arkansas license.

**To access the course, visit
“Online Courses” on UAMS.CLOUD-CME.COM**

In support of improving patient care, University of Arkansas for Medical Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Arkansas for Medical Sciences Office of Continuing Education designates this enduring material activity for a maximum of 2.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Arkansas for Medical Sciences designates this enduring activity for a maximum of 2.00 ANCC contact hours. Nursing contact hours will be awarded for successful completion of program components based upon documented attendance and completion of evaluation materials.

These knowledge based activities will provide pharmacists up to 2.0 contact hours or 0.2 CEU. CE credit information, based on completion of activity, post-test and program evaluation will be provided to NAPB within 60 days after the activity completion.
